

COPRA Accreditation Actions 2013

COPRA ACTION STATEMENT

September 1, 2013*

The Commission on Peer Review and Accreditation (COPRA) of the Network of Schools of Public Policy, Affairs, and Administration met June 1-3, 2013, in San Juan, Puerto Rico. Final accreditation actions are published on an annual basis. Programs receiving initial accreditation (through 2020) or six or seven year reaccreditation decisions (through 2019 or 2020, respectively) demonstrated conformity with the NASPAA Standards after a thorough review by the Commission. The Commission bases its conclusion on the overall quality of the program, its performance of its mission, consideration of substantial conformance with the standards, and its assessment of overall program quality given the unique mission of that program. Programs receiving initial accreditations and reaccreditations, including positive one-year reaccreditations, are included on the Roster of Accredited Programs, updated each year.
