		<u>Student Diversity</u>	<p>Most of the enrolling students are from Asia, however, even within this continental group, we try to maintain diversity by recruiting from a wide variety of geographical locations such as East, South-East, Middle-East, Central and other Asian regions. Other continents such as Africa, the Americas, Europe and Oceania are also targets for recruitment.</p> <p>Ultimately, we aim at attracting high-quality international students to create a more diverse student body.</p>
