

2022-2023 ROSTER OF ACCREDITED PROGRAMS

Effective September 1, 2022

The Commission on Peer Review and Accreditation (COPRA) is recognized by the Council on Higher Education Accreditation (CHEA) as a specialized accrediting agency and authorized to accredit master’s degree programs in public and nonprofit policy, affairs, and administration globally. In 1977, member institutions of the Network of Schools of Public Policy, Affairs, and Administration (NASPAA) voted to adopt a program of voluntary peer review evaluation of master’s degrees or degree programs in public affairs and administration. That same year, the association adopted Standards for Professional Master’s Degree Programs in Public Affairs, Policy and Administration. Peer review was initiated by the member institutions to facilitate the continuing development and quality of public service education.

In 1983, the members of the association voted to apply to the Council on Postsecondary Accreditation (COPA), to become recognized as a specialized accrediting agency to accredit master’s degrees in public affairs and administration. On October 3, 1986, the Board granted NASPAA recognition as a specialized accrediting agency. In 1993, COPA was disbanded and replaced by the Commission on Recognition of Postsecondary Accreditation (CORPA). In 1996, CORPA was disbanded and replaced by the Council on Higher Education Accreditation (CHEA). NASPAA’s Commission on Peer Review and Accreditation was recognized by CHEA in 2014 for a period of 10 years.

The review/accreditation process combines program self-study, review by the Commission on Peer Review and Accreditation, and a two to three-day campus visit by a COPRA-appointed site visit team. The review/accreditation cycle begins each year on August 15, with the submission of a Self-Study Report. In June, the Commission meets for a final review session and determines if a program is in conformity with the Standards. Subsequently, the Commission publishes an Annual Roster of Accredited Programs. NASPAA's membership consists of 316 member institutions that offer undergraduate and graduate degrees in public service fields. Of the total number of programs eligible to participate in peer review, 208 programs at 193 schools (61% of eligible member institutions) have been accredited.

Site Evaluation Years

The years appearing immediately following the institutional name (or degree name when multiple degrees are accredited at the same university) indicates the projected academic year for the next regularly scheduled review. For example, if the year indicates “2022-2023,” then the Self-Study Report would be submitted by August 15, 2022, the site visit would take place between late January and April 2023, and the accreditation decision would be made by the Commission in June of 2023. This year identification does not preclude the Commission from authorizing a site evaluation prior to the designated year. The accreditation expiration date for a program is August 31 of the review year indicated.

Accreditation Decisions

The Commission bases its conclusion on the overall quality of the program, its performance of its mission, consideration of substantial conformance with the standards, and its assessment of overall program quality given the unique mission of that program. The following programs have established substantial conformity with the Standards effective during their Self-Study Year. Programs receiving positive one-year reaccreditations are included, as well. The Roster is updated on an ongoing basis to reflect clerical updates, as well as on January 15 of each year to reflect actions taken by the Commission between September and January such as the granting of a one-year delay in the review of a program.
