Subject: Public Comment on Proposed Changes to the Public Service Loan Forgiveness Program

To Whom It May Concern:

I am writing as a [insert role: faculty member, administrator, student, alum] at [insert institution name] to provide comments on the proposed changes to the Public Service Loan Forgiveness (PSLF) program.

The PSLF program is a vital tool for encouraging and sustaining careers in public service. It has helped countless individuals pursue meaningful work in government, nonprofit, and education sectors without being burdened by unmanageable student debt.

Personal Experience or Institutional Impact:
[Insert a brief story or example of how PSLF has impacted you, your students, or your institution. For example: "At our school, over 60% of MPA graduates enter public service roles. PSLF has been a key factor in their decision to pursue these careers."]

Data and Evidence:
Include any relevant data, such as:

- Number of students enrolled in public service programs
- Percentage of graduates pursuing PSLF-eligible employment
- Average student debt load
- PSLF success or denial rates among alumni

Recommendations:
I respectfully urge the Department to consider the following improvements to the PSLF program:

1. Simplify the application and certification process
2. Increase transparency around qualifying payments and employer eligibility
3. Ensure equitable access for all public service professionals, including adjunct faculty and nonprofit workers
4. Provide clearer guidance and support for borrowers navigating the program

Thank you for the opportunity to comment. I appreciate the Department's commitment to strengthening PSLF and ensuring it continues to serve those who dedicate their careers to public service.

Sincerely,
