Q9

What is your proudest accomplishment in your public service career?

My proudest accomplishment as a public service professional is that I have made education more accessible to the vulnerable populations of my community. Through my work in the classroom, I used collaboration and connection to propel academic growth in all areas of student learning.

Q10

What do you love about what you do as a public servant?

I love the opportunity to serve and support public interest, especially in our local communities.

Q11

What are you excited for about your future as a public servant?

I am really excited about expanding my current skill set and learning new ways to improve services in our community.

Q12

How has your education been vital to your career and in your accomplishments?

Education has helped to cultivate and enrich my existing knowledge so that I could carry it into application and practice in service.

Q13

What advice would you give to persons interested in a career in public service?

Look for as many opportunities as possible to apply public administration theory to practice; public service is a field that is constantly changing, so be flexible to change. Look for the leaders!
